24 November 1959

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 6 to Contract No. NY-A-501 with
[redacted], Los Angeles, California,
[redacted] Project CHALICE (NAVY)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. NY-A-501 covers the Navy's requirement for 24 System 3 M-2's and related equipment. This Amendment No. 6 covers the deletion of two (2) each test sets MP-11638, Item 45 of Equipment List JJ, Revision B.

3. This Amendment results in a net decrease of [redacted] or a reduction of [redacted] in cost and [redacted] in fixed fee which should be liquidated from "No Year" Navy Funds during FY 59. By concurrence to this memorandum the Comptroller signifies that funds have been liquidated as noted above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Amendment No. 6 to Contract No. NY-A-501 is recommended.
